8. Read the passage and answer the questions given at the end.

(10)

Alina has a smart tube of toothpaste. Its friend is a yellow toothbrush. Its home is on a nice glass shelf. Alina uses it twice a day. She stands near the mirror and put the paste on the toothbrush. Then she brushes her nice white teeth until they shine. She likes it as it has such a nice taste. After use she places it back on the glass shelf. She uses some water and doesn't waste much. She knows water is important for everyone.

1. What is the color of Alina's tooth brush?

2. Where is the home of Alina's toothpaste?

3. Why does Alina like the toothpaste?

4. How many times does Alina brush her teeth?

5. Why do we brush our teeth?
